I'm off next Thursday/Friday (and Monday of the following) and would rather not push further but am comfortable with Mike K representing the Trust on this.

I checked with him and he's generally open all day.

Does 2C work for the group?

Thank you,

**Subject:** [EXTERNAL] Kalamazoo OU1 Deliniation Process

Good morning.

Now that we're getting close to mob, I wanted to schedule a call to discuss the process by which we'll need to secure the concurrence from EPA and MDEQ regarding our delineation activities.

Any conflicts next Monday at 2 CDT? If so, Mike K. and I are available both Monday and Tuesday afternoon until 5:30 CDT... please propose an alternative.

Thank you,
